ATTENTION TO DETAIL

Working together, we can figure out how to make your wheelchair uniquely yours. We know that small touches make a big difference.

BUILT TO LAST

We never compromise on quality. Your powerchair is your mobility, therefore reliability is paramount.

ENGINEERED TO THE LAST BOLT

If we think we can make it better, we will. Our in-house engineering team is hands on, working side by side with customers and therapists. The entire Magic team works continuously to improve the experience, from choosing a Magic Mobility wheelchair to its performance in the places you want to go.

PROUDLY AUSTRALIAN DESIGNED AND ASSEMBLED IN THE USA

We love that our product is made in Australia. We love meeting our customers, hearing your ever changing needs and taking it back to the drawing board.
